

# Communication Plan

Your family may not be together when an emergency strikes. So it's important to have a plan before disaster strikes.

- Identify an Out-of-State contact for everyone to call
- Identify a meeting place near your home, and one outside your neighborhood, in case the area is not safe.

## Somerset County Emergency Guide

*Somerset County Cares  
about the safety of you  
and your family*

# Stay or Go?

You will have to decide whether to stay or go, based on the situation. Monitor the news reports to listen to directions from local authorities. You may also receive an automated call with emergency instructions.

If evacuation is recommended :

- Leave a note where you can be reached
- Unplug appliances
- Lock doors and bring your keys
- Take your family, pets, emergency kits and leave
